Response to the Coronavirus (COVID-19) outbreak

Whilst we should maintain good hygiene at all times, we are taking the following action as we care for one another:

- The Peace will not be shared with a handshake, but by exchanging words and a smile with each other.
- People with coughs and sneezes should consider receiving Communion in one kind only (the bread);
- People should not intinct (dip) the wafer into the wine as this could represent an infection transmission route;
- Ministers of communion will use hand-sanitiser before preparing the table and administering Communion.
