Accessing the Parish News magazine

As we have explained in recent editions of the magazine we have decided that we need to reduce the overall cost of printing the magazine.

Like many other publications, we are aware that an increasing number of people are able to access and read newspapers and magazines online on their computer/tablets/phone or by downloading a copy and printing if they need to.

Copies will be delivered to people who have requested this option and copies will continue to be available for collection from each of our churches.

If you, or someone you know, would a print copy delivered to your home please let Angela Sewell know by phone at 01524 734308 or by email at alsewell@btinternet.com

Welcome to our Summer Parish News

We were getting progressively hotter in the sun in our best clothes. My wife and I were at the wedding of my cousin on a hotel lawn. It was a civil ceremony and the registrar did her stuff and then another lady got up to speak. I was expecting a sentimental talk but it sounded like a sermon yet there was no mention of God or Jesus. In civil ceremonies in England you are not allowed to have any whiff of religion; it was all correct, so what was going on? Fortunately, at the reception I was sitting next to the said lady and over the small but delicious portions I found she was a Roman Catholic lay chaplain. Had she been cheating? No, but she made me think. My cousin is a senior nurse in children's critical care and my new friend worked with the families. They both saw humanity in the raw. Her words of love, support, joy and sadness came from experience and are shared by all human beings. They are not just religious.

That may seem obvious, but we live in a very diverse world and some people are troubled by it. The problem is we often start with the diversity when we should start with the common joy of being human. We will always have some tragic people who seem fuelled by negativity but the vast majority, religious or not, are kind, generous and caring.

In another part of the country, I met with two remarkable people in education. He was a convinced atheist and his deputy was a convinced Christian. The respect they had for each other was phenomenal and that is why they were such a good team. We should embrace the goodness of people whatever their beliefs. We encourage children to listen and look - something we should do as adults. Listen to people, their history and life experience. and look what they can offer us. No one has all the answers, but we all know what it is like to be human.

I call myself a Christian because I try to follow Jesus who, in this human life, was for all people and broke down religious and social barriers and taboos. That is what the church is here for now – to proclaim, celebrate and teach – yes; but also to offer a place for all people to listen and look. Every church should have a quiet place where people can sit during worship knowing they can be themselves, listen and look, celebrate the world and people and perhaps see God.

My favourite quotation is from St John “God is love and those who live in love, live in God and God lives in them”. This is what the chaplain was saying if we had ears to hear. Love is universal.

Have a good holiday whenever or whatever that is and do take time to listen and look and perhaps see God in the wonderful people around us.

Peter Mann

Morecambe Bay Partnership

I wanted to get in touch, on behalf of local charity [Morecambe Bay Partnership](#), to let you know about a creative/walking/environmental project called 'Bay Lines: Beach of Dreams' happening this summer around the Bay. We're really keen to invite all the Bay's coastal parishes/communities to take part and I wondered if you might be kind enough to share the invitation with anyone you feel might be interested.

We have teamed up with an arts organization called Kinetika and local production company Rosa Productions to deliver Beach of Dreams. (Beach of Dreams is going to be a national initiative in 2025 and we have commissioned a special version of it for Morecambe Bay this year.)

It's all about promoting opportunities for walking, sharing conversations and creativity, around the Morecambe Bay coast. Together, we've mapped the Bay coastline into 120 miles of walkable route from Fleetwood to Barrow. Kinetika's artistic director, Ali Pretty, is walking the whole route from 3rd-8th June and she's interested in speaking with artists, writers, scientists, coastal engineers, nature experts, campaigners, landowners and local people— anyone with a connection to the coast – along the way. She wants to explore environmental conversations and get people thinking about what the future of our coast might look like.

We're also inviting local people to sign up to a mile that means something to them, to walk it (in their own time), photograph something of interest and share it with the project. These stories will then be translated into beautiful silk pennant flags to be installed around the Bay over the August bank holiday.

We'd love to have as many people as possible involved from all parts of the Bay.

If you would like to meet Ali or join in with a bit of walk (long or short!) you can book a spot via Eventbrite <https://www.eventbrite.co.uk/cc/bay-lines-beach-of-dreams-gathering-walks-2097299>.

Or to reserve a mile to walk in your own time to contribute to the project, see <https://www.eventbrite.co.uk/cc/bay-lines-beach-of-dreams-miles-reservations-2098899>

You can find out the whole programme here

From Our Schools

Archbishop Hutton's
Primary School

This time of year is the busiest in school – Trips, Sports Day, Leavers' events to mention a few. It is also time to say 'Hello' to the children who will be joining us in September and 'Goodbye' to the children who are leaving us this month.

In the meantime, we have lots of exciting things to tell you about. We have started a project with some local residents as part of the National Open Gardens Scheme. Five of our Year 3 and 4 boys have been preparing the soil and scattering seeds to produce a wild flower garden at the front of the school which is coming on nicely. Class Two continued the theme by working with villagers to make scarecrows for the Open Gardens event. They thought hard about their designs and used lots of craft skills to make their fantastic scarecrows. Hopefully you got to see the end result in the open gardens last month.

The Coronation of King Charles was celebrated in school the day before the Coronation. We painted pebbles, baked biscuits, decorated crowns and created some fabulous art work. We had a picnic lunch in the style of a street party. A fabulous day was had by everyone and it was a great way to start such a historic weekend. We were also lucky enough to have had lots of our King Charles inspired art work displayed in Tesco, Carnforth.

We ended the first half of the summer term by having a Science Day to celebrate all the wonderful scientific learning we have done. The children brought in Science projects they had worked on at home. The projects took the form of posters, books and models which they shared with their friends and teachers. The themes were famous scientists, favourite animals or dinosaurs and famous buildings or structures. Class Three also made amazing volcano models which they erupted after lunch when parents were invited into school to see our amazing work.

From our Villages

What an amazing start we have had to the summer this year. From about the middle of May until the middle of June we have had the most glorious lengthy spell of sunshine and heat that the country has experienced for quite some time. The gardens are growing fast - weeds as well as plants, the colours are magnificent, the trees and birds appearing daily and the long summer evenings have been superb. We all feel lighter in our spirits, more joyful in our hearts when we experience the long days of sunshine and fun but do we remember to thank our Maker and Creator, God our Father, for blessing us with such wonderful weather to enjoy His wonderful Creation?

As we move into July and August now, we look forward to our children finishing school for the long summer holidays, perhaps going away somewhere hot and sunny or enjoying our English lakes and taking what comes with the British weather, seaside resorts, islands around the country etc. Teachers will be preparing for their well-earned summer break and parents will look to entertain their children in and around Warton and surrounding villages and towns.

At Warton Methodist Church we continue with our Sunday morning services at 10.00 a.m., our Little Stars every Thursday during term-time at 09.00 a.m. and our summer Messy Church which we are calling Messy Holiday on Sunday 6th August at 4.00 p.m. We look forward to welcoming all children along with their parents and carers for a fun-filled couple of hours to learn about Jesus and the miraculous catch of fish.

If you require any further information, please contact our minister Rev Emma Holroyd on 01524 941266 or by email at emma.holroyd@methodist.org.uk.

Happy Summer Holidays to everyone

Archbishop Hutton Charity

Warton Alms Houses: subsidised housing for people in need of support

Hundreds of years ago, a Charity was set up by Archbishop Hutton, who came from the Ancient Parish of Warton. The Charity provides subsidised housing for those in need of support and who at the time of applying, live in Warton or the surrounding area. At present, there is a vacancy. It is available, at significantly lower cost than would be usual, for applicants who can demonstrate a need for such support.

The property is one of a pair of semidetached bungalows. It has a good-sized living room, double bedroom and a box room, together with, kitchen, shower-room and outdoor area. There was substantial refurbishment three years ago. Viewing can be arranged prior to making an application.

Application forms, and some further details (including costs), are available from the Secretary of the Charity (address below) and must be returned to the Secretary by 4.00pm on 31 July. Applications will be considered by the Charity and short-listed applicants will be called for interview towards the end of August.

Supporting our churches financially

Like all churches, we rely on the generosity of our congregations and our communities to support our mission and ministry.

We are extremely grateful for the many people who give regularly to Church by standing order, by weekly envelope or by cash donation when attending a church service.

Donate Online

People are now able to make donations online to the Church in the Benefice, through our **GiveALittle page**. If you have device with the ability to scan QR codes you can go to our

GiveALittle page by scanning our code printed here...

...or you can follow the link from the home page of our benefice website at www.ubwby.org

The Giving page on our website also give details of how to set up a standing order, which is one of the principal ways of supporting the Church financially and it is the most effective way to give to the Church.

The Giving page also has other information about giving to Church.

Easyfundraising

Another way to support the churches is to do your online shopping using easyfundraising® which is the UK's biggest charity shopping fundraising site. It is simple to use and it's free. Since the launch in 2005, over £31 million has been raised for good causes.

Each of our three churches are registered with easyfundraising®. This means you can choose to support one of our individual churches through easyfundraising®, raising free donations every time you shop online. Over 4,000 shops and sites will donate when you use easyfundraising® to shop with them – at no extra cost to yourself!

These donations really mount up and make a big difference, so we'd really appreciate it if you could take a moment to sign up and support us. It's completely free and only takes a moment.

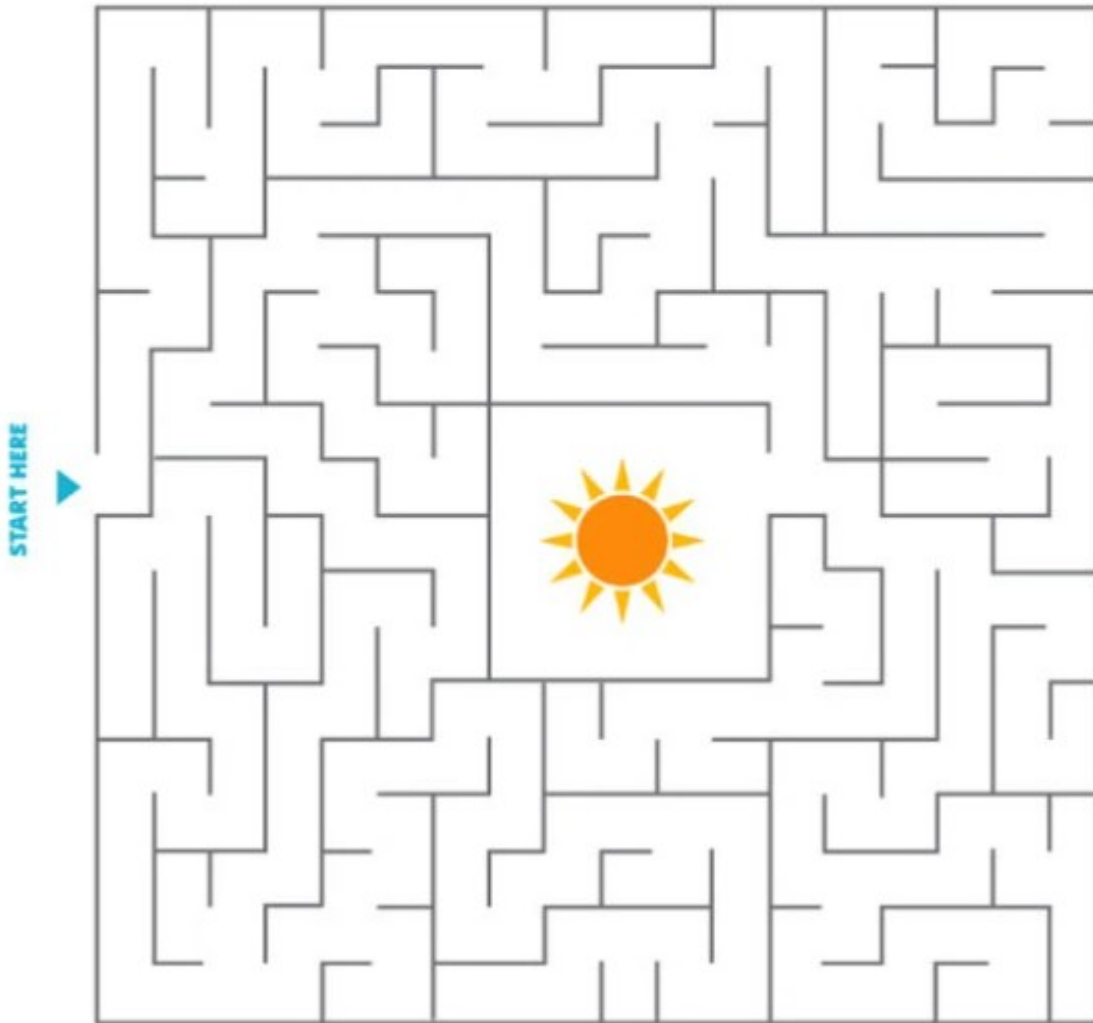

Go to www.easyfundraising.org.uk and search for "St Oswald's Church-Warton-Carnforth" or "St John's Church, Yealand Conyers" or "St Mary's Church - Borwick"

A prayer for those in need

Merciful God, be near to those who are troubled with sickness or other need; in the power of your love, bring relief from present suffering and the return of health, that being made whole in body mind and spirit, they may give thanks again for the gift of life.

Be with all who work for healing, especially those who care for the sick and those in need with professional skill and loving care. Bless them with patience and compassion in their work and grant that in due time they will share in thanks for health and life restored.

A prayer for those who mourn

May you be held by the God of compassion as you remember your loved ones today. May God be with you in your sorrow, and comfort you in your loss. May your God, your family and your friends, give you strength and confidence. May your spirit be lifted, may your heart be filled with peace, and may the light of God's promise fill you with joy and hope. Amen.
