## Welcome to our October Parish News

---

As an enthusiastic young vicar, I once decided my parish needed a film evening, so I got Zeffirelli's film "Brother Sun, Sister Moon" about Saints Francis and Clare. It was all good until, oh dear, they got on a roof and started taking their clothes off.

Was this really suitable for my parishioners? In a way it was, because Francis (whose festival is October 4th) was someone who wanted to be free from all his burdens. So he gave his money, and also some of his father's(!), away. This was freedom and obligation in action. We have been given a wonderful world and life, but we have the obligation to look after them.

Ever since, the followers of Francis have lived in that radical way. It may not be practical for us, but the principle is. Furthermore, Francis is famous for the way he considered animals and birds "his brothers and sisters". He knew the close connection we have with the natural world – a very modern idea. Every nature programme rightly tells us of our obligations. What, however, about the joy? For me the world is all about love and I define love as giving. Look what we have been given and enjoy it, but how do we use it? I am not, I hope, miserable about that because we do a lot of good for the planet but how do we rediscover the delight of Francis? How do we look after the gift? That is a basic question for both religious and non-religious people. We are just coming to the end of the harvest season – giving thanks for the miracle of growing things. People throughout the ages – Christian or not - have understood that.

Do Christians have anything special to add? Francis was free because he saw how important Jesus was above all else. He saw the joy in Jesus' love, but he also saw our obligation to help the world be better. He wanted everyone to share that. If it meant giving all his money to a beggar – so be it. Impractical for us, maybe, but do we understand love and the obligation of love?

Recently, when the junior church came up in their slot in the service, they gave us all cooking tips. Where is the spirituality in that? Well, it was about using left-overs. They told us the amount of food we throw away is appalling. We squander the great gift. We mess up the world and do not, like Francis, honour our "brothers and sisters" in the natural world.

Do you ever feel like throwing your clothes off (metaphorically of course!), getting rid of your burdens and feeling free? That is one side of faith. The other is when we come across the metaphorical beggar by the gate – we are obliged to share the great gifts of life we have received. Praying is a spiritual activity, so is eating responsibly and caring for our world. I am sure Francis would agree.

Peter Mann

### Oversight of the United Benefice during the vacancy (time when no Vicar is in post)

As from 13th March the first point of contact with the churches in the Benefice can be via Annette MacKenzie, the Licensed Lay Minister. Enquiries can also be directed to one of the churchwardens for the appropriate church. For contact details please see the back page of the magazine.

Annette and the churchwardens will respond if possible or they will pass on any enquiry to the appropriate person in the Benefice or contact the Area Dean or Archdeacon for assistance if necessary.

As from 13th March emails can be sent to [vicar.ubwby@gmail.com](mailto:vicar.ubwby@gmail.com) and these will be received by Annette MacKenzie. Please note that the email address [vicarwby@outlook.com](mailto:vicarwby@outlook.com) should not be used after this date.

## The Future of your Parish News magazine

During the Covid lockdown of 2020, it was necessary to deliver the Parish News solely by email as physical production and delivery of paper copies was not permitted. This has continued to date, with printed copies available in each of our churches.

The way that the magazine is accessed is currently under review and we would like your help in deciding how we go forward.

To this end, please would you send an email to [parishnews@outlook.com](mailto:parishnews@outlook.com) telling us how you currently access the Parish News. If you access it digitally, please tell us where you find the link to download it. If you receive a paper copy, please let us know where you get it from.

For those of you that don't use the internet, survey forms will be available in church very soon. We would be thankful if you could complete one and hand it to a churchwarden.

We would also like to know how you would prefer to receive the magazine—are you more likely to read an online edition or a printed one?

The information that you provide will help us decide which is the best way to go forward with publication and possibly result in a more detailed survey. Thank you 😊

### Ode to Autumn in your Garden

As the season of mists and mellow fruitfulness draws to a close, don't hang up your tools just yet!

We encourage you to commune with nature and enjoy the final flourish of Autumn. In a year of extremes, we are blessed with many flowers making a repeat performance. A little time spent now will stand you in good stead for the coming year. Our collective thoughts may help you to plan, tidy, sow, divide and plant your way through October, for the promise of things to come.

In the words of a famous gardener, here are your "jobs for the month"!

Order bulbs for a succession of Spring colour. Our top choices are Iris Reticulata, Crocuses, Narcissus, Erythronium, Fritillaria, Tulips and Alliums. These will give you joy from early March to late June and can even be planted in containers to give a wonderful display by the front door.

Collect seeds into paper envelopes for scattering or sowing in Autumn or Spring. Some of our favourites include Poppies, Fleabane, Corncockle, Wild Carrot, Ammi, Verbena, Cerinthe, Nicandra, Cosmos and Astrantia. Seeds for free which will give you a splendid display throughout Summer 2024, especially if you have an open sunny spot with rather poor soil.

Divide Herbaceous Perennials in October and November, to either pot up and share with friends & neighbours or to increase your stock for replanting elsewhere in the garden.

Deadhead any Autumn flowering plants to prolong the season and cut back flowers and stems of Buddleia to avoid self-seeding. Leave ornamental grasses, teasles and umbels to create habitats for insects, birds and hedgehogs. This will also provide some protection for more tender plants from an early frost.

Scarify lawns and re-seed any bare patches in preparation for an Autumn lawn feed.

Take photos of the garden to help you plan for revised planting and any changes you will make to the design over the Winter.

Soak up the final rays of Autumn sunshine and pour yourselves a drink whilst enjoying the fruits of your labour!

With thanks for contributions from Warton NGS (National Garden Scheme) Open Garden Owners.

## Junior Church

---

The Summer term seems a long time ago now. We explored many different ways of talking to God both through words and actions and had a wonderful visit to Hyning when Sister Reina introduced us to using the psalms to help us pray.

For the first half of this term, we will be thinking about the ways that we can help to look after God's wonderful creation, particularly focusing on wasting less, reusing more, taking care of what we have and changing the way we live.

We will be in church for the whole of the Harvest Festival service, taking an active part in the worship and will be running a bake sale afterwards to raise money for a charity related to our theme.

We will also be actively involved in the Environment Coffee Morning on the 7<sup>th</sup> October (10am – 12noon). The Eco Group, who are running the coffee morning, have very kindly decided to donate the money raised to our joint project with Young Generations, to increase the biodiversity within the churchyard. There will be interactive activities for children, lots of information about eco topics as well as stalls and refreshments.

Junior Church will run every week through until the 15<sup>th</sup> October. We will have a break for half term and start again on the 5<sup>th</sup> November.

Do get in touch if you would like to join us. We meet every Sunday in term time in St Oswald's Church Hall from 11 - 12am with children aged 3 to 10 with under 3's accompanied by an adult. We explore our faith together through activities, games, songs, drama and fun! Visiting children are always welcome.

For more information, contact Vanessa Alpin on 07746 790979

### **A date for your diaries! – Wednesday 25<sup>th</sup> October, Family Games Afternoon**

Families from all our villages and beyond are warmly invited to come to St Oswald's Church in Warton to have fun playing games together from 2 – 4pm on Wednesday 25<sup>th</sup> October.

There will be lots of different games to play, you just get stuck in and enjoy! There will be a free play area for toddlers and refreshments will also be provided.

This event is free, there is no need to book, just turn up and have fun together!

## From our Villages

---

How are we finding this new season? Autumn is well on its way now that we are in October with leaves falling from the trees, a real nip in the air when we are out walking and our children are well into their first term at school and already looking forward to half-term holidays!! The seasons are changing rapidly but do we see God's hand in it all? Certainly in the beauty of nature we do and I do love walking through the autumn leaves in parks and watching the magnificent trees and hedgerows altering as if God is the artist and He is changing us as well as His glorious Creation - just like the Christian song 'Jesus, You are changing me' by Marilyn Baker.

It makes me think of the Book of Ecclesiastes in the bible in chapter 3 v 1-8 - 'For everything its season and for every activity under heaven its time'. Worth having a read sometime.

At our Messy Harvest last month we chose the 7 days of God's Creation as our theme. Our next Messy Church will be held on TUESDAY 31st OCTOBER rather than a Sunday as normal and we are calling it a Messy Hallowe'en Light Party. It is at the usual time of 4-6pm so do come along, children of all ages must be accompanied by a parent or carer, and join us for lots of fun activities.

Our Sunday morning services continue every week at 10.00am.

Little Stars meet every Thursday morning during term time at 9.00am.

If you require any further information, please contact our minister Rev Emma Holroyd on 01524 941266 or by email at [emma.holroyd@methodist.org.uk](mailto:emma.holroyd@methodist.org.uk).

## Supporting our churches financially

---

Like all churches, we rely on the generosity of our congregations and our communities to support our mission and ministry.

We are extremely grateful for the many people who give regularly to Church by standing order, by weekly envelope or by cash donation when attending a church service.

Donate Online

People are now able to make donations online to the Church in the Benefice, through our **GiveALittle page**. If you have device with the ability to scan QR codes you can go to our

GiveALittle page by scanning our code printed here...

...or you can follow the link from the home page of our benefice website at [www.ubwby.org](http://www.ubwby.org)

The Giving page on our website also give details of how to set up a standing order, which is one of the principal ways of supporting the Church financially and it is the most effective way to give to the Church.

The Giving page also has other information about giving to Church.

### Easyfundraising

Another way to support the churches is to do your online shopping using easyfundraising® which is the UK's biggest charity shopping fundraising site. It is simple to use and it's free. Since the launch in 2005, over £31 million has been raised for good causes.

Each of our three churches are registered with easyfundraising®. This means you can choose to support one of our individual churches through easyfundraising®, raising free donations every time you shop online. Over 4,000 shops and sites will donate when you use easyfundraising® to shop with them – at no extra cost to yourself!

These donations really mount up and make a big difference, so we'd really appreciate it if you could take a moment to sign up and support us. It's completely free and only takes a moment.

Go to [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) and search for "St Oswald's Church-Warton-Carnforth" or "St John's Church, Yealand Conyers" or "St Mary's Church - Borwick"

### A prayer for those in need

Merciful God, be near to those who are troubled with sickness or other need; in the power of your love, bring relief from present suffering and the return of health, that being made whole in body mind and spirit, they may give thanks again for the gift of life.

Be with all who work for healing, especially those who care for the sick and those in need with professional skill and loving care. Bless them with patience and compassion in their work and grant that in due time they will share in thanks for health and life restored.

### A prayer for those who mourn

May you be held by the God of compassion as you remember your loved ones today. May God be with you in your sorrow, and comfort you in your loss. May your God, your family and your friends, give you strength and confidence. May your spirit be lifted, may your heart be filled with peace, and may the light of God's promise fill you with joy and hope. Amen.
