## Vicar's welcome

---

*'The Word became flesh and blood, and moved into the neighbourhood. We saw the glory with our own eyes, the one-of-a-kind glory, like Father, like Son, Generous inside and out, true from start to finish'* John 1:14

(The Message Translation)

I love this translation of John's Gospel, with the language of Jesus moving into the neighbourhood – coming to be with us, be one of us, live as one of us. This is what the word 'incarnation' means – literally taking on flesh, becoming human.

Jesus was obedient to the will of God the Father – emptying himself of His divine right to power and instead taking the form of a servant, becoming human to embody the love of God in a ministry of healing and reconciliation.

As Christians we are called to move into neighbourhoods, to be obedient to where God sends and calls us, to become fully a part of the community, and to trust that we are where we are meant to be, doing what we are meant to do in His name.

As we approach our first summer here I feel so grateful for the tapestry of relationships that God is weaving together across the Benefice – connections in each village, with the schools, with other worshipping congregations, with industry and hospitality providers. It hardly feels real that less than 6 months ago I knew no one! And yet it is God's will that I am in this place, with these people, at this time, and so I know that God will continue to do beautiful things here as we serve Him and make Him known

## Alice's Behind the Scenes

---

**Each edition I'd love to highlight the incredible work of some of our church volunteers behind the scenes. This month is Emma Brantley-Tziros at St Oswald's.**

Emma writes:

'I have been at St Oswald's for 42 years and many of us feel like it is the family we have chosen and so to serve is the most natural thing for me. I really want this church and its activities to be continuing for many years to come.

As a Royal School of Church Music trained Choir Director it is now my position to plan the music for the choir, which needs to fit with the words of the sermon and readings that week and also be suitable for whichever choristers attend that week and to conduct and support the choristers. I also ask the Choir and congregation for their favourite music and try to fit these into the schedule too.

I regularly meet with specific choristers to plan other areas of music. Not only do we have our twice weekly rehearsals and weekly Sunday services, (more on holy days) for which I plan and conduct, we have been hosting fundraising musical events which need planning and rehearsing too. I also make sure the Choir has a regular presence on Facebook and on the *ubwby* website. I also photocopy music that has been arranged for us by some very talented local people. I liaise and support Maddy, our wonderful Junior Choir leader and Keith our amazing organist.

I am also currently responsible for the 4 Benefice Facebook pages; advertising events, coffee mornings and our well liked "Did you knows" with the help of Sue. I also design and publish posters on Canva for events throughout the year for the Church. I have also been involved in the new tea towel design for St Oswald's! Only £7!

I have been a founding leader of the Looking Forward Group where we started to raise the profile of the Benefice with events and awareness of day-to-day running of the churches.

I have been very involved in the start of the monthly coffee mornings raising money and profiles for a different charity every month. This involves communicating with our volunteers, organising setting up, putting the huge coffee urn at 8.30am and tidying away etc and making the visiting charities feel welcome.

I also run Young Generations youth club which is our amazing group of Year 6-10 children who like to come monthly to church on a Sunday evening where we eat together, chat, play games, do crafts and talk about ways we can help our community and the world. I am cooking from 5.30pm until they arrive and we end at 8pm.'

**Thank you Emma for your service at St Oswald's!**

## From Our Churches

---

We're delighted to launch Cherish the Churchyard. This is St Oswald, Warton's project for caring for the land and its users sustainably.

Cherish the Churchyard is part of our church's broader commitment to Eco Church. In the coming weeks and months we'll make small but important changes to benefit wildlife and improve the churchyard experience for parishioners and visitors. It will be a long process requiring patience and creative thinking.

We'll work on ways to reduce plastic, conserve water, manage paths, increase habitat and care for graves. We are led by eco experts from charities, such as Caring for God's Acre, whose patron is HRH King Charles, and by local experts.

Though we're just beginning this work, our heartfelt thanks go to our small, enthusiastic team, and to all providing financial support, eco expertise, encouragement and prayer.

To learn more please contact Jodie at St Oswald's.

### The big Idea - Peat

Preserve peat to fight climate change

- △ Use soil improvers made of composted green waste, farmyard manure or homemade compost in your garden or allotment. This frees up other resources up for use in peat-free growing media.
- △ Buy peat-free compost. Peat can still be found in bagged multipurpose composts and grow bags so carefully check wording: if it doesn't explicitly say 'peat-free', it probably isn't. Words like 'natural' and 'organic' may still contain peat.
- △ Make your own compost or leaf mould. If not possible, put your garden waste in council bins for use locally.
- △ Buy peat-free plants. Ask retailers for them. This shows customer demand, increasing motivation for the production of peat-free plants.
- △ Spread the word – share your knowledge with friends and family.

Source RHS - edited

Peatlands are natural boggy habitats that store over twice as much carbon as all the world's forests combined, despite covering an area ten times smaller. They are also unique ecosystems with a wealth of wildlife depending on them. Extracting peat destroys habitats, releases stored carbon and increases flood risk. Preserving peat bogs is vital in the fight against climate change.

## From our Churches

---

As we move into the month of July nature's beauty is in full display. Now the days are longer and warmer, filled with the vibrant colours of blooming flowers and the lush green of trees in full leaf. Gardens and fields burst with life, as butterflies flit from blossom to blossom, and birds sing their

summer melodies.

It's the perfect time to immerse yourself in the outdoors, whether it's a leisurely stroll through a local park, a hike in the countryside, or simply enjoying a quiet moment in your garden. As we bask in the summer sun, let's take a moment to thank our Creator God for the wonderful world He has created. What an amazing God we have!

As Summer approaches we look forward to the schools breaking up for the Summer Holidays - a special time when families can relax and enjoy some time together either by taking a chance on the unpredictable weather in the beautiful countryside in our own country or increasingly going somewhere hot and sunny in other parts of the world. Teachers especially will be preparing for their well-earned summer break and now the exam season has finished parents will look to entertain their children in and around Warton and the surrounding villages and towns.

Here At Warton Methodist Church, we continue with our Sunday morning services at 10.00 a.m. Little Stars our popular babies and toddler group continues to meet every Thursday at 09.00 am - 11am during term time. This is an excellent way for Mum's and other carers to meet up chat over a cup of coffee whilst their little ones play happily together.

We also look forward to welcoming all children along with their parents and carers to our next Messy Church which is on Sunday July 7th from 4 - 6pm. The title for this event is taken from the well-known Bible story 'Jesus stilling the storm on Lake Galilee'. As well as the usual crafts and other fun filled activities, this time as a special treat, we have invited St Oswald's 'Bubble Church' to come and tell the story using their puppets.

If you require any further information about our Church activities, please contact Rosemary Marsh on 07710916091 as our minister Rev Emma Holroyd is at present away on her Sabbatical until August.

### **Carers Support Group**

Third Sat monthly (except Aug & Dec) 10:30am to 12:00pm

15 Jun | 20 Jul | 21 Sep | 19 Oct | 16 Nov

The number of unpaid carers across the UK was recently estimated at 5.7 million. Certainly, it is our experience that many of us have been caring for a family member either at home or by going to their home regularly. By meeting together there's support when issues seem relentless and sharing the 'nuggets' of what helps gained through experience or from other organisations who support carers. It's also time out to relax, find company and laugh together.

All welcome and some lovely free refreshments at both meetings.

CFM Community Centre, Kellet Road, Carnforth LA5 9LR

Level parking at the back of the Centre.

## Gardening

---

A Butterfly Talks by Annette Wynne (American children's poet)  
written circa 1919

*"A butterfly talks to each flower and stops to eat and drink, and I have seen one lighting in a quiet spot to think...."*

It is July; as we sit in our garden watching the beauty we have created and the nature, which is in harmony with it, the scent of sweet peas fills the evening air and the birds sing until dusk falls. By day the garden fills with butterflies and bees; we hope for the Painted Ladies to gather around buddleia, on their journey north.

All that hard work of sowing seed, pricking out, planting, catching slugs and keeping on top of weeds has really started to reap rewards with tasty vegetables, soft fruit and vases of stunning flowers. July & August should be a time for relaxing but there are still a few little tasks which will keep the garden looking good into late Summer and Autumn. On your daily walk around the garden be sure to have your snips/ secateurs and hoe to hand, to dead-head spent flowers, remove perennial weeds, cut back May/June flowering shrubs and gather a beautiful bunch of flowers for the kitchen table.

Harvest vegetables whilst they are young and tender, water tomatoes daily to prevent splitting and blossom end rot. Peppers, tomatoes and aubergines will all benefit from a seaweed feed once a week, to encourage more fruit. Plants in containers need special care, ensuring they are fed and watered regularly. If you are going away, gather the pots together, move to a shady place and if possible, sit them in a tray to conserve water. House plants might enjoy a holiday too; treat them to a spell outside in a sheltered place, give their dusty leaves a good wash and thoroughly spoil them with higher light levels and appropriate liquid feed.

In the vegetable plot cover brassicas with netting to prevent caterpillar damage from the cabbage white butterfly. Continue to water courgettes, beans, sweetcorn etc. mulching to help retain moisture. Prune blackcurrants back after harvesting and peg strawberry runners into pots to make new plants. Propagate new plants from cuttings; fuchsias, abutilon, dianthus should work well!

The compost heap can be chopped and turned to quicken the rotting process. Hedges may be given a trim, now that our feathered friends have flown the nest. If you are mowing your lawn, raise the cutting height to allow the grass to cope with dry and hot conditions.

July and August bring some unfortunate visitors in the form of harvest mites and ticks; be prepared! Above all, enjoy sharing your garden with family and friends while the weather is warm and look out for shooting stars as we pass through the Perseid meteoroid stream every year around August 12th.

With thanks to the literary contributors from the Warton NGS Group!

**Thank you to everyone who visited our 6 gardens over the weekend of 15<sup>th</sup> & 16<sup>th</sup> June.  
We are delighted to announce that the total raised to date is £6300 for  
Nursing & Health Charities"**

## Eco Summer tips

---

Many of us are excited to enjoy the outdoors and soak up the sun as it gets warmer. But it's important to keep in mind that what we do during this season might have a big impact on the environment. We can make sure that our summer activities are not only entertaining but also environmentally responsible by making thoughtful decisions and adopting sustainable habits. Here are some pointers for being more environmentally friendly this summer:

**Conserve Water:** Water use tends to climb as temperatures rise. Reduce your water consumption by taking shorter showers, shutting off the water while you brush your teeth, and watering plants with a watering can rather than a hose. Gather rainfall and use it to hydrate your plants.

**Choose Sustainable Transportation:** When organizing summertime excursions, give cycling, walking, or public transportation serious consideration. To cut down on carbon emissions, carpool with friends or family if you're going to the beach or a local park. Pick eco-friendly picnic supplies: Summertime is synonymous with picnics and outdoor gatherings. Use reusable or biodegradable plates, cups, and silverware in place of single-use plastic alternatives. Bring a reusable water bottle along with your snacks so you can keep hydrated.

**Embrace Sustainable BBQs:** Summer is the ideal season for grilling, yet conventional charcoal grills can emit dangerous fumes. Consider buying a cleaner, more energy-efficient grill like one that is electric or propane. Use natural gas substitutes or charcoal that has been harvested sustainably.

**Reduce Food Waste:** Fresh fruits and vegetables are frequently in abundance during the summer. Use the farmers' markets in your area or cultivate your own food. To reduce food waste, carefully plan your meals, and compost any organic waste you produce.

**Beach and Ocean Preservation:** If you're going to the beach, please consider its preservation. Avoid leaving trash behind and pick up after yourself. To protect your skin without endangering marine life, use sunscreen that is reef-safe. Take into account helping out at volunteer events for marine conservation groups or cleaning up local beaches.

**Improve Energy Efficiency:** People tend to use air conditioners and fans as the days grow longer and hotter. To avoid the need for excessive cooling utilize energy-efficient fans, and close your blinds or curtains during the hottest times of the day.

These straightforward suggestions can help you have a sustainable summer while leaving as little of an environmental footprint as possible. Keep in mind that sustainability is a way of life and that every small step counts toward a more sustainable and ethical future.

**Let's make this summer a time for fun and environmental awareness!**

*Inspire Believe Achieve*

*'Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith.'*

*1 Timothy 4:12*

Things have been busy at Yealand Church of England School this last month.

We all took part in the 'Big Help Out' by completing an hour of voluntary work in and around school. We had children gardening and litter-picking, writing cards and stories to members of the community and even got the mini-bus spruced up too.

Rev. Alice helped Swallow class to learn all about the Eucharist in their own unique service. This allowed the children to ask questions and chat about what makes this a special and important time for Christians.

Robin class started their swimming lessons with Lorna at 'Mad about Swimming' and they had the best time.

We have started our whole school theme based around sport. We are looking forward to learning all about the Olympics, Wimbledon and the European Football Championships too. The children in Swallow class have started the Odyssey in Literacy and are loving learning all about the different characters and plot within the epic poem.

We are also delighted that Mr Winder will continue to be our Swallow class teacher (Key Stage 2) in September. He has been a fantastic addition to our Yealand staff team and we cannot wait to plan for the future at our wonderful school.

Sign up to our Facebook page to find out about all we do in school or come along and visit us, our children would love to show you around.

Warmest wishes, Kathryn Brown

## From our schools

---

The summer break is now only three weeks away and another school year has flown by. Hopefully we are finally enjoying some warmer, sunnier weather with more to come.

The final half term of the school year is the busiest of all and this year is no exception.

Reverend Alice is now a frequent visitor in school and is presenting a series of assemblies about her job as a vicar. She explained what a baptism is and the children have learnt about communion, weddings and funerals.

Class 1 are busy preparing for their move into Class 2 and have welcomed the children who are joining us in September when they have spent some afternoons with us. The children have enjoyed showing them the ropes of life in Class 1 and suddenly they all look much bigger!

Class 2 took part in a local schools' football tournament a few weeks ago at Carnforth High School. It was their first-time taking part in something like this and everyone did really well. Some children from Class 4 have taken part in cricket competitions against other local schools this half term and represented the school brilliantly.

At the time of writing we are preparing for Sports Day so fingers crossed the sun will shine for us.

We will say goodbye to our current Year 6 children at the end of term and we have lots planned to send them off in style. They will perform their Leaver's Play which they are all practising really hard for – maybe we have some future theatre stars among us. We are all looking forward to the annual Year 6 v Staff rounders game followed by a pizza. The Year 6s are all now wearing their leavers' hoodies and will be presented with their leavers' book on the last day of term, which is full of memories for them to look back on over the years.

July has arrived; go forth and thrive!

## Supporting our churches financially

---

Like all churches, we rely on the generosity of our congregations and our communities to support our mission and ministry.

We are extremely grateful for the many people who give regularly to Church by standing order, by weekly envelope or by cash donation when attending a church service.

Donate Online

People are now able to make donations online to the Church in the Benefice, through our **GiveALittle page**. If you have device with the ability to scan QR codes you can go to our

GiveALittle page by scanning our code printed here...

...or you can follow the link from the home page of our benefice website at [www.ubwby.org](http://www.ubwby.org)

The Giving page on our website also give details of how to set up a standing order, which is one of the principal ways of supporting the Church financially and it is the most effective way to give to the Church.

The Giving page also has other information about giving to Church.

### Easyfundraising

Another way to support the churches is to do your online shopping using easyfundraising® which is the UK's biggest charity shopping fundraising site. It is simple to use and it's free. Since the launch in 2005, over £31 million has been raised for good causes.

Each of our three churches are registered with easyfundraising®. This means you can choose to support one of our individual churches through easyfundraising®, raising free donations every time you shop online. Over 4,000 shops and sites will donate when you use easyfundraising® to shop with them – at no extra cost to yourself!

These donations really mount up and make a big difference, so we'd really appreciate it if you could take a moment to sign up and support us. It's completely free and only takes a moment.

Go to [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) and search for "St Oswald's Church-Warton-Carnforth" or "St John's Church, Yealand Conyers" or "St Mary's Church - Borwick"

### A prayer for those in need

Merciful God, be near to those who are troubled with sickness or other need; in the power of your love, bring relief from present suffering and the return of health, that being made whole in body mind and spirit, they may give thanks again for the gift of life.

Be with all who work for healing, especially those who care for the sick and those in need with professional skill and loving care. Bless them with patience and compassion in their work and grant that in due time they will share in thanks for health and life restored.

### A prayer for those who mourn

May you be held by the God of compassion as you remember your loved ones today. May God be with you in your sorrow, and comfort you in your loss. May your God, your family and your friends, give you strength and confidence. May your spirit be lifted, may your heart be filled with peace, and may the light of God's promise fill you with joy and hope. Amen.
